Alfredo Maestro

Castrillo de Duero 2017

Alfredo Maestro's family came to Peñafiel from the Basque Country. Having grown up amongst the vines, Alfredo had a great interest in wine and started making his own in 1998. From the beginning he farmed organically, yet in the cellar he worked literally "by the book," teaching himself enology from a textbook and using all the tricks to make a "correct" Ribera del Duero wine: cultured yeasts, acids, enzymes, tannins, color-enhancers, etc. In the early 2000's Alfredo had a revelation: as an organic farmer, why should he use chemicals to adjust the finished wine? He wanted to work as naturally in the winery as he did in the vineyard, as he puts it "to better tell the story of the land." Alfredo began eliminating exogenous products, and by 2003 he was making wine without any additives whatsoever, including sulfur.

Over the past several years, Alfredo has been seeking out old, neglected, high elevation parcels around **Castilla y León**, and more recently in nearby **Sierra de Gredos** Mountains west of Madrid. He currently has several old-vine parcels of Tinto Fino, as well as Garnacha, Garnacha Tintorera, and Albillo - varieties that were once embraced in the region, but have fallen out of favor due to the fascination with producing a 100% Tinto Fino wine. He has two small bodegas, one located in his native Peñafiel where his father helps in the bodega, the other in the Navalcarnero area southwest of Madrid. He makes some of the most singular white and *rosado* wines in the region, and his tintos are remarkable for their purity and elegance.

Castrillo de Duero is sourced from a high elevation vineyard in Valtiendas (Segovia), complimented by old vine fruit grown in Peñafiel (Valladolid). The grapes were hand-harvested the 1st week of October, fermented 50% whole cluster in steel vat with 20-30 days of skin maceration, then pressed into neutral, light-toast French barriques for malolactic and aging for 12 months. The finished wine was bottled in February 2019 unfinned, unfiltered, and without added SO₂. Castrillo is classic **Tinto Fino** wine with layered black and red fruit, polished tannins, freshness, and elegance; a perfect wine to pair with grilled lamb chops or dry-aged beef.
