

# VE D' AVIOR / CATI RIBOT

## MALVASIA 2021

### ORIGIN

Santa Margalida, Mallorca, Spain.

### VARIETIES

100% Malvasía de Banyalbufar.

### VINEYARD

From 23-year-old vines outside Cati Ribot's bodega. The finca has been certified organic since 2012 and treated with biodynamic methods since 2014. The area is 92m above sea level and vines are planted on *Can Vermell* (iron-rich calcareous clay) soils.

### VINIFICATION METHOD

After harvest, the grapes were deposited whole cluster in a clay tinaja where they fermented. After fermentation, the wine rested for 4 months in the same vessel before bottling without fining, filtration, or added SO<sub>2</sub>.

### PROPERTIES

Alcohol: 11.5%.

Total Sulfur: <10mg/l.

Bottles Made: 425.

### PRODUCER PROFILE

Cati Ribot is a 3rd generation winegrower making natural wines under the name **Ve d'Avior** ("from the past" in Mallorquin) in the town of Santa Margalida, in the northeast of Mallorca. In the 1990s, her father Jaume planted international varieties, and he built a bodega in 2004. Training as a sommelier in Barcelona in 2008, Cati brought back different ideas about how Mediterranean wine could taste and the winemaking and the farming began to change: they planted old indigenous varieties like Escursac, Callet Negrella, and Malvasía de Banyalbufar, organic certification was achieved in 2012, and started applying biodynamic principles in 2014. In 2019, Cati took over the bodega full time, and Ve d'Avior really began. Working with Charlie Prymaka, Cati continued to innovate in the bodega and the vineyard. Their collaboration was a great success, and it grew. In 2021, Cati's bodega is a collaborative workshop, the home base of four hardworking, innovative natural winemakers.

### VINTAGE REPORT

In this part of Mallorca, 2021 was very dry but not quite as hot as 2020. Unfortunately, early May frosts impacted Malvasia particularly harshly and Cati lost about 80% of the grapes from this variety.
