

JUGO VINS

CIGGLE WATER 2021

ORIGIN

Santa Margalida, Mallorca, Spain.

VARIETIES

100% Prensal Blanc, an indigenous Mallorquin white variety that is slow to ripen and naturally low in acidity.

VINEYARD

From an organically farmed vineyard of Prensal Blanc in Santa Margalida in the inland area of Mallorca. Charlie harvests quite a bit earlier than most other producers around him with the goal of maintaining acidity in his wines.

VINIFICATION METHOD

Grapes were harvested by hand and 90% were destemmed, leaving 10% whole cluster, then fermented with native yeasts on their skins in plastic vats for 11 days with daily punch downs. Then, the wine was pressed to rest and complete malolactic fermentation in stainless steel tanks with a single racking. After resting, bottled without fining or filtration and only a small addition of SO₂.

PROPERTIES

Alcohol: 10.5%
Total Sulfur: 4mg/L added before bottling.

PRODUCER PROFILE

Charlie Prymaka started working with Cati Ribot in 2019. For the previous decade, he had worked in wine in NYC, London and elsewhere and, when he could, he worked harvests in the United States (with Evan Lewandowski of Ruth Lewandowski Wines and Scott Frank of Bow & Arrow Wines), in Australia, and in Spain. While collaborating with Cati and assisting with her production under the Ve D'Avior label, Charlie created his own label, using fruit sourced from Cati's vineyards and other organically farmed vineyards across Mallorca: **JUGO VINS**. Charlie's goal with these wines is to make fresh, easy drinking natural wines, with a focus on the indigenous varieties of Mallorca. In the cellar, he works gently, often employing carbonic maceration and avoiding unnecessary additions. These are wines for everyone and everything, that don't take themselves too seriously and are great to drink with food or without – Wines for Whenever!

VINTAGE REPORT

2021 saw an early April frost in Mallorca which reduced yields, but the rest of the year was mild, and the quality and health of the surviving grapes was very good.
