

Nanclares y Prieto Viticultores Vintage 2022

2022 was a relatively warm and dry vintage in Rías Baixas, though not as extremely arid as in many regions in Spain. Rain in September helped refresh the vines and allowed for complete ripening after a dry summer. Compared to the cold and high acid '21s, the '22s show a somewhat more fruit-driven character.

Wines released by Nanclares y Prieto Viticultores from the 2022 vintage:

- Dandelion
- Tempus Vivendi
- O Bocoí Vello
- Albariño de Alberto Nanclares
- Soverribas
- A Graña
- Miñato da Raña
